The Honorable Glenn Dawson
Illinois House of Representatives
13343 Baltimore Avenue
Chicago, Illinois 60633

Dear Representative Dawson:

This is in response to your letter of February 4, 1979 regarding **Cosden Oil and Chemical Company** and acrylonitrile.

We have not, as of this date, received an application for permit to dispose of acrylonitrile at any sanitary landfill in the 30th legislative district or at any landfill anywhere in the State. We have received inquiries from Cosden Oil and Chemical Company in regards to Illinois Solid Waste Rules and Regulations and emergency planning and practices. However, this firm does not, in the near future, plan to dispose of acrylonitrile.

We hope this information will be helpful to you. If you have any further questions, please do not hesitate to contact this office.

Sincerely,

Thomas E. Cavanagh, Jr., Manager
Land Permit Section
Division of Land/Noise Pollution Control
